**Incident Summary:** On August 15, 2018, at approximately 10:52 p.m., Columbus Police officers were called to 1201 Berkeley Road on the report of a shooting. Upon arrival, officers located an unresponsive female victim, later identified as Jordan C.V. Williams, lying in the front yard of the residence suffering from a gunshot wound. Due to an active shooter scenario inside the residence, responding officers moved the victim to safety and into a waiting CFD Medic (Medic #13). The Medic then transported Ms. Williams to Grant Medical Center where unfortunately she succumbed to her injuries and was pronounced deceased at 11:10 p.m. by attending medical personnel.

Investigation revealed that Ms. Williams was the granddaughter of the suspect, later identified as Booker Moody, and lived there at that residence with her grandfather. Having no keys with her, Ms. Williams had tried to wake her grandfather by knocking on his bedroom window when Mr. Moody fired a shot through the window without realizing it was his granddaughter. The investigation continues.

This is the 68th Homicide in Columbus, Ohio in Calendar Year 2018. Incident #180685128. Detective Greg Stevens is the lead detective, assisted by Detective David Dennison.
